Christian Cabrera

Videographer / drone
pilot

Through my numerous experiences in the hotel industry, I understand how to focus on the essentials and present a hotel from its best side. As a drone pilot, I see the world from other angles and can tell authentic stories from a variety of perspectives.

Motto: Experiences that stay in memory

- x Arrival in the morning
- x Hotel tour with host of the house and briefing
- x Determination of the schedule: e.g. reception, room, bar, SPA ... x The shooting takes place in individual phases
- x After the first round, we sift through the images together with the client and develop our own tonality incl. visual language suitable for the object
- x Then the next phases follow according to the flowchart
- x Shooting arrival, reception, room, spa, application, Dinner, bar, kitchen, food...
- x Overnight stay in the house
- x Shooting breakfast, details, departure...
- x Departure at noon

Yield: around 15 Short Clips
